world in a coordinated wreath-laying ceremony. This ceremony is known as National Wreaths Across America Day.

In 1992, Morrill Worcester, from Harrington, Maine, noticed that he had an abundance of holiday wreaths and decided to take the opportunity to honor our country's veterans. After contacting his Senator, arrangements were made for wreaths to be placed at Arlington in an older section of the cemetery.

This tradition would quietly continue until 2005 when a photo of the tombstones decorated with wreaths and covered with snow went viral. From there, this quiet annual tribute to remember those who have made the ultimate sacrifice turned into a mission to remember, honor, and teach.

Since the viral photo, Wreaths Across America has continued to grow. This Saturday, volunteers will lay wreaths at more than 2,500 locations in the United States, abroad, and at sea. This simple gesture is a way for all of us to express our appreciation during the holiday season.

ENHANCING SAFETY FOR RIDESHARE PASSENGERS

(Mr. GOTTHEIMER asked and was given permission to address the House for 1 minute.)

Mr. GOTTHEIMER. Mr. Speaker, the House voted this week on the bipartisan Sami's Law, which I am proud to have co-led, to enhance safety for rideshare passengers.

Sami's Law has been named to honor Samantha Josephson, a senior at the University of South Carolina, originally from New Jersey, who was kidnapped and brutally murdered by a man pretending to be her Uber driver.

Under Sami's Law, all rideshare services will be required to adopt digital systems that allow passengers to verify the vehicle before they get into the car, make it illegal to sell ridesharing signs without authorization, and create a U.S. Department of Transportation council to ensure safety measures stay current.

The bill also mandates State-issued front license plates for rideshare vehicles and illuminated windshield signs visible day and night. It will examine the prevalence of assault and abuse perpetrated by rideshare drivers and passengers.

We must ensure our residents in New Jersey's Fifth District and nationwide are safe when using rideshare.

I urge my colleagues on both sides of the aisle to support commonsense measures like these to ensure the terrible tragedy that befell Samantha Josephson never happens again.

DISAPPOINTED BUT NOT DEFEATED

(Mrs. WATSON COLEMAN asked and was given permission to address the House for 1 minute.)

Mrs. WATSON COLEMAN. Mr. Speaker, I rise today because the Republican Party has once again chosen to stand against civil rights.

Yesterday, Senator CORY BOOKER brought the CROWN Act to the Senate floor. This bill would ban hair discrimination, including the practice of discriminating against people, Black people, because of the way their hair naturally grows out of their heads. Republicans stopped the bill in its tracks.

The CROWN Act should never ever have been a controversial bill. It simply protects our right to exist as our authentic selves. Apparently, that was just too much for today's Republican Party.

Mr. Speaker, I stand here disappointed but not defeated. I will never stop fighting for all Americans' right to exist as their authentic selves. I pray that my Republican colleagues set petty party politics aside and choose to stand for justice when the next opportunity arises.

RECOGNIZING NATIONAL WREATHS ACROSS AMERICA DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize a very special tradition taking place this Saturday, December 17.

Every year, thousands of volunteers set out across the country and the
